SSQ Soup Kitchen

The Soup Kitchen in Southernwood seems to expand weekly.

Last week 175 hygiene parcels; 3 large pots of samp and beans; 20 loaves of sandwiches; disposable nappies and baby formula were handed out.

Those that attended were mostly locals living in the Southernwood area and the homeless. Others came into town in search of work from Duncan Village and Mdantsane and made a point of visiting the soup kitchen in the hopes of receiving something.

Thank you to our dedicated team who are making a difference.
