With the new Covid regulations we have unfortunately had to suspend our group initiatives temporarily!

## Soup Kitchen - SSQ

This month, our neighbour Mr Wicus Terblanche joined our soup kitchen initiative and has added value by supplying fresh fruit and items for personal hygiene. They have all been well received and the numbers attending have once again increased.

There has been an appeal from those attending that are homeless and living in the bush or on the street for jerseys/jackets and or blankets.

***Please***, if you have any of the above items that are too small, not being used, bring them to the office for distribution.

## Jersey/ Blanket Drive

To you, this might be just another old jersey and blanket drive, to those in need it might be the only source of warmth this winter.

Please hand any donations in at reception.

No act of kindness,  
no matter how small,  
is ever wasted.

## Nalibali RSM Library

The library for the children continues to be well supported. This month we have been able to purchase additional books and fill another shelf.

If you think you'd like to assist with the Library please contact Stacey.

The library is open on Monday and Wednesday afternoons from 3 – 4 pm.

*If you have any children's books new or old please will you bring them to add to our library...*
