Nalibali recently shared some interesting facts following a survey;

- 44 100 children are currently in reading groups
- 32 034 people have attended the training
- 28 636 people are fundu leaders

Materials Distributed;

- 627 524 books
- 43 246 285 supplements; 31 840 126 in newspapers and 11 707 884 directly to reading groups.

World read aloud day 2021 held in February, reached 3 004 896 children.

## Soccer & Netball

The children are enjoying both activities.

Covid regulations have unfortunately limited tournaments and training sessions from the Merrifield 1<sup>st</sup> Teams. With exams underway for most, we're hoping that 2022 will prove to be a better year.
